

SuperFood Drive is a 501(c)3 nonprofit organization.

Mission

Giving the Gift of Health by providing nutrient dense non-perishable food items to populations in need.

Vision

SuperFood Drive seeks to transform local food drives, national food banks and global humanitarian aid into providers of nutrient-dense non-perishable SuperFoods. By educating both the givers and receivers of non-perishable SuperFood items, we promote health and wellbeing to individuals and their communities.
